

Fran and Dan Brown

January 10, 2019

Dear Fran and Dan

On behalf of the McMaster Children's Hospital, I wish to extend our appreciation for the generous donation from the **Lisa Brown Charitable Foundation** in support of young children's emotional health.

We are pleased to partner with the **Lisa Brown Charitable Foundation** in support of our unique project, *The Canadian Family Check-Up*, the first of its kind in Canada.

We are confident this project will be a valuable resource for children and their families as we look to provide at home counselling to help improve the emotional and mental well being of the family.

With sincere gratitude,

Peter Fitzgerald  
President, McMaster Children's Hospital
